Peter Barry Derby Teams

Saturday 25th March 2023 6pm Start

The popularity of this exclusive Derby Teams racing weekend continues to grow each year, with more teams entering and bigger programme of events to get through on the nights. To help our staff and the smooth running of this event we are introducing a number of new conditions of entry which teams and drivers are required to abide by.

Conditions of Entry:

1. The event will be run according to the Speedway New Zealand General Rules and Regulations.
2. All drivers must hold a current SNZ Inc. Licence and all vehicles must comply with the current Speedway New Zealand Rule book and supplementary regulations. Licence process has changed from previous years with all licences to be completed online via the following link <http://www.speedway.co.nz/licences/licences-3>
Licenses are unable to be completed at the track on the night of racing.
3. Teams are to consist of 6 cars with 5 drivers, five cars race at a time on the track from each team.
4. **Four Cylinder Cars Only** and no four-wheel drive vehicles.
5. Team/ Race Numbers – Team/Race Numbers are required to follow in sequence for their 6 cars allocated to their team. For example: 1 – 6, 7 -12, 13 – 18, 19-24 and so on. Number sequence is required to be cleared by Robertson Prestige International Speedway management and an email confirmation will be sent to confirm this. Three-digit numbers are an absolute last resort and won't be cleared by Robertson Prestige International Speedway management unless absolutely necessary, as these three digit numbers make lap scoring difficult.
6. Scrutineering of vehicles will take place at the track from 2pm – 4.30pm.
7. Drivers Briefing, all drivers are required to attend the drivers briefing located in the Waldegrave Lounge at 5pm both nights, it is mandatory to attend these meetings and a roll call will be taken.
8. Driver plus one crew member with the competing Derby Car will be given free entry at this event.
9. Entries close 15th March 2023.
